

Tiger Cruise Arrival

Tigers welcome to the USS Theodore Roosevelt Tiger Cruise.

If you plan on flying into Jacksonville International Airport on the day of embarkation, the USS Theodore Roosevelt Tiger Team will have a welcoming crew at the USO office from 8:30 AM until 1:00 PM. They will assist you with transportation and access to Naval Station Mayport and the Ship. The last shuttle bus will leave the airport at 1:00 PM. If you arrive after 1:00 PM you will need to take a taxi to Naval Station Mayport. As you arrive at the airport go to the USO office located on the first floor near the baggage claim area (please see map below).

At the end of the orientation, you and your sponsor will go to your sleeping quarters to get settled and ready for sea life.

For those Tigers driving to the Naval Station, please follow these directions to Naval Station Mayport:

The naval station is located at the end of Mayport Road. To get here from the north, take I-95 South to the 9A exit. Get off on Atlantic Boulevard and drive east until you cross the Intracoastal Waterway. After crossing the waterway, take the first exit on the right to Mayport Road. Continue for approximately five miles. You will enter the naval station through the main gate. Please provide your name and the name of your sponsor for access to the base.

To get here from the south, take I-95 North to J. Turner Butler Boulevard. Go east to the San Pablo exit and turn left. Drive across Beach Boulevard, continuing to Atlantic Boulevard and turn right on to Atlantic at the light. After crossing the Intracoastal Waterway, follow the above directions.

From Interstate I-10 East, continue to I-95 South, exit at US Highway 90 (Beaches) until it splits into Atlantic Boulevard and Beach Boulevard. Take Atlantic Boulevard and follow the above directions.

There will be TR sailors at the gate with an access list to allow you onto the Base. Once on base proceed to pier C-2 to meet your sponsor.

If you take a taxi to the gate, the TR sailors will provide transportation from the gate to the ship.

WELCOME ABOARD!
